

Andrew College Residence Halls

All residence hall rooms on campus have a suite configuration with four residents sharing a bathroom/shower. All rooms have a small vanity or sink, built-in closets, dressers and desks, desk chairs, bunk beds with twin mattresses, and mini-blinds. Carpeting is not placed in the rooms but can be installed by the residents (please do not apply any adhesive to the flooring.) Television lounges, laundry facilities, and vending areas are located in each residence hall. All rooms have full cable TV service, a local phone line, and Internet access. Residents may bring one large-size refrigerator (less than 4.0 cubic feet) or two compact refrigerators per room. Smoking is not allowed in the residence halls including student rooms. Pay special attention to the *Do Not Bring* list. Illegal appliances and extension cords are violations of the student conduct code because they are fire safety hazards!
