## *How do I reserve a private room?*

Private Rooms are awarded on a first come first serve basis, and the additional private room charge of \$750.00 must be paid before the student is awarded the private room. Students who wish to pay for the private room must contact Mrs. Peggy Moore in the Business Office to make payment arrangements as well as the Director of Residence Life to make an official request.

## *When will I know my room assignment?*

Room assignments will be completed during the month of July and students will be notified via their Andrew College email accounts. Housing assignments are also available in Empower.

## *May I have visitors?*

Inter-hall visitation is permitted from 12:00 p.m. - 12:00 a.m. At other times, persons of the opposite sex must not enter for any reason. In co-ed residence halls, the first floor lounges are open to all residents of that building on a 24-hour basis; however, other guests are restricted to visitation hours.

Off campus visitors must sign into ACPD and receive a guest pass and a parking pass. Guest passes must remain with the visitor, and the guest must remain with the Andrew College host at all times during their presence on campus. Off Campus visitors may spend only two nights on campus,

Friday- Sunday, and must abide by all visitation rules. Andrew College students are responsible for the conduct of their guests while on campus.

***How many roommates will I have?***

Each student will have one roommate, unless they have a private room. Most students will share a bathroom with the room next door or their suite-mates.

***If I have a physical disability that requires special housing, what should I do?***

Please contact the Residence Life office and we will work with you to best accommodate your needs.

***Are there laundry services on campus?***

Yes, each residence hall is equipped with a laundry room containing washers and dryers. We currently use Mac Gray's "Students First" laundry program. This program gives the students at Andrew College the freedom to wash laundry at any time. A laundry fee will be included in their tuition for use of the program.

***Is smoking and tobacco use allowed on campus?***

Andrew College is committed to providing a healthy, comfortable, and productive learning and working environment for its students, faculty, staff, and visitors. In accordance with that commitment, the college has a Tobacco-Free Campus Policy. The use of tobacco is prohibited in all areas of campus; including Hord Field. This includes all buildings, outdoor areas, and parking lots owned by Andrew College. For purposes of this policy, all uses of tobacco products of any kind are prohibited. This includes, but is not limited to, smoking, chewing, dipping, the use of electronic cigarettes, snuff, and snus. It also includes the use of non-tobacco smoking products such as clove cigarettes and water vapors.

This commitment to a healthy living and working environment is the result of a state wide initiative to promote all Georgia Colleges and Universities Tobacco or Smoke Free. We can all contribute to the success of the initiative by letting others know about the new policy and pitching in to help them comply.

***What is my mailing address?***

501 College Street Cuthbert, GA 39840. The sender will need to write your name on the address label. All students will be issued a mailbox at the beginning of the semester. Mail is distributed Monday-Friday.
